## Directions:

1. Cut Lemon Lime Twist cardstock 4 ¼" x 11" for your card base. Score at 5 ½".
2. Trim one flap of the card base on the diagonal from the fold to the opposite corner, ensuring that the flap will be on the bottom.
3. Choose the patterns of Bright & Beautiful designer series paper (DSP) you wish to use.
4. Cut DSP 4" x 5 ¼". Adhere to the inside of the card base.
5. Cut DSP 4" x 5 ¼" and cut on the diagonal. Adhere to the front flap.
6. Cut standard paper to 4" x 5 ¼" and cut on the diagonal. Adhere on top of the DSP on the inside of the card to serve as a message panel.
7. Cut Granny Apple Green cardstock 2 ½" x 3". Diecut with the Nested Essentials rectangle die.
8. Diecut the raccoon from the Zoo Crew DSP using the Zany Zoo dies. Color the raccoon using blendable markers. Add Wink of Stella to the balloons. Add dimensionals to the back and adhere to the green rectangle.
9. Diecut two flags using the All That dies from glimmer vellum and white shimmer cardstock. Stamp the sentiment on the flags. Allow to dry and then adhere to the green rectangle on the right side toward the top.
10. Determine the placement of the green rectangle on the front flap. Add dimensionals to half of the rectangle and adhere to the front of the card. Half of the rectangle will be free-floating over the base when the card is closed.
11. Cut DSP 2 ½" x 3". Diecut with the Nested Essentials rectangle die. Stamp selected sentiment in the center. Line up with the back of the green rectangle and adhere over.
12. Embellish with sequins as desired.
