### General Measurements:

Card base

Bright & Beautiful DSP

Inside sentiment panel

4 ¼" x 11" Night of Navy cardstock  
scored at 5 ½"  
cut one flap at 2 ¾"  
4" x 5 ¼"  
2 ½" x 4" (x2)  
3 ¼" x 5" Night of Navy cardstock  
3" x 4 ¾" Basic White cardstock

## Directions:

1. Cut Night of Navy cardstock 4 ¼" x 11". Score at 5 ½".
2. Cut one end at 2 ¾" and save the cut piece. This piece will serve as the mat for the flip fold.  
NOTE: Your card base should now have a full base and half of a card front.
3. Select your sheets of designer series paper (DSP). Cut the inside card base piece 4" x 5 ¼" and adhere to the inside of the card.
4. Cut a piece of DSP 2 ½" x 4" and adhere to the flap on the front of the card.
5. Cut a piece of DSP 2 ½" x 4" and adhere to the saved piece of navy cardstock cut from the base. Adhere this vertically over the flap to form the flip fold portion of the card.
6. Cut Night of Navy cardstock 3 ¼" x 5". This will serve as the mat for the inside sentiment panel.
7. Cut Basic White cardstock 3" x 4 ¾" and stamp your selected sentiment at the top. Adhere the sentiment panel to the navy mat.
8. Determine the placement of the inside sentiment panel. Place inside the card and turn the flip fold down. Move the sentiment panel as needed to center it under the flip fold. Adhere to the inside of the card.
9. Diecut scalloped circle from DSP using the All That dies.
10. Stamp outside sentiment on white cardstock and punch with circle punch. Adhere dimensionals to the back.
11. Affix the sentiment circle to the scalloped diecut. Set aside.
12. Cut the appropriate length of Smoky Slate and Lemon Lime Twist ribbon to span the width of the flip fold panel.
13. Adhere the ribbon to the panel using double-sided tear-off tape.
14. Adhere dimensionals to the back of the scalloped panel and place over the ribbon on the flip fold.
15. Embellish the card as desired with adhesive-backed sequins.
