## Directions:

1. Cut 4 ¼" x 5 ½" base from Pretty Peacock cardstock.
2. Choose Perennial Lavender designer series paper pattern to serve as the front panel background. Cut to 4 1/8" x 5 3/8" and adhere to card base.
3. Cut 4 ¼" x 9" accordion base from Lost Lagoon cardstock. Score at 3" and 6" and fold panels so that it makes a Z shape. Set aside.
4. Cut 2 ½" x 4" piece of Pool Party cardstock and diecut using the Thoughtful Expressions dies.
5. Cut 2" x 3 ½" piece of Crumb Cake cardstock and diecut using a smaller nesting Thoughtful Expressions die.
6. On the Crumb Cake panel, stamp the scene using small grassy stamp and single multi-flower stamp from the Painted Lavender stamp set. The small grassy stamp will be in one color. Stamp the multi-flower stem in various colors. Then stamp the sentiment from the So Sincere stamp set in Pretty Peacock toward the top of the panel.
7. Adhere the Crumb Cake panel to the Pool Party nesting mat.
8. Cut two banners from the Pretty Peacock soft shimmer paper and adhere to the back panel of the Pool Party panel in the center. Then adhere the sentiment panel to the center of the front panel of the Lost Lagoon foldout.
9. Cut 2 ¾" x 3 ½" gift card pocket panel from the selected Perennial Lavender DSP.
10. Cut a small notch in the top of the gift card pocket panel using the Heartfelt Hexagon punch. The total depth of the notch should be approximately ¾".
11. Adhere the pocket to the center panel of the foldout accordion base using tear-n-tape. Only adhere the sides and bottom of the panel to make the pocket functional.
12. Diecut the message panel from white cardstock using the Perennial Postage dies and adhere to the far-right panel of the foldout accordion base.
13. Apply tear-n-tape to the back panel of the accordion base. Adhere the accordion to the card base in the center.
14. Tie a bow out of Lost Lagoon bordered ribbon and adhere to top of the Crumb Cake panel over the sentiment.
15. Embellish with Pretty Peacock sequins as desired.
