Directions:

1. Cut 12x12 Night of Navy cardstock 5 ½ x 12". Score at 1 ¾", 4 ¾", and 7 ¾".
2. Fold on the score lines so that the largest section becomes the inside panel of the card.
3. Choose a sheet of patterned paper. For this card, I used the leaf and vine pattern from Peaceful Garden.
 - a. Cut a 1 ½" strip. And then cut this piece into two strips that are 5 ¼" long.
 - b. Next, cut a 2 ¾" strip from the sheet. And then cut this piece into two strips that are 5 ¼" long.
 - c. Finally, cut a 1" strip. And then cut this piece so that you have a single strip 5 ¼" long.
4. Choose a sheet of glimmer paper. For this card, I used the silver from the Peaceful Garden glimmer pack.
 - a. Cut a 1 3/8" strip. And then cut this piece into two strips that are 5 3/8" long.
 - b. Next, cut a 2 7/8" strip from the sheet. And then cut this piece into two strips that are 5 3/8" long.
5. Mount a strip of DSP on its coordinating glimmer mat strip using tear-n-tape. NOTE: the 1" strip of patterned paper will not have a glimmer strip mat.
6. Cut a 4 x 5 ¼" piece of white cardstock for inside message panel.
7. Next, adhere the matted DSP strips onto the coordinating card panels. The unmatted strip will go on the right side of the inside message panel.
8. Cut a 2 ½ x 4 ¼" piece of Cloud Cover cardstock and Misty Moonlight glimmer paper.
9. Using the largest panel diecut from the Peace on Earth die set, cut the Misty Moonlight glimmer paper to create the sentiment panel mat.
10. Next, cut the Cloud Cover paper using the smaller panel diecut from the Peace on Earth set.
11. Choose a sentiment from the Peace on Earth stamps and stamp on the Cloud Cover sentiment panel in Secret Sea ink.
12. Adhere the sentiment panel to the sentiment mat using tear-n-tape. Then adhere the full sentiment panel to the front flap with dimensionals.
13. From a scrap of silver Peaceful Garden glimmer paper, cut a dove using the Peace on Earth die set. Adhere to the top corner of the sentiment panel with dimensionals.
14. Wrap the inside message panel with Misty Moonlight & silver edged ribbon and tie a knot in the center. The ribbon should cover where the white cardstock and patterned paper meet.
15. Embellish with Hues of Blue flowers and drusy embellishments as desired.
