General Measurements:

Card base
DSP (card front)

Glimmer paper
Sentiment panel
DSP (inside)

White

5 ½" x 8 ½" Cloud Cover
2 ¾" x 5 ¼" DSP 1
1" x 5 ¼"
2 ¾" x 1" DSP 2
1" x 1"
3" x 4" Secret Sea
3" x 4" Cloud Cover
1" x 5 ¼"
2 ¾" x 3"
4" x 5 ¼"

Directions—card front:

1. Cut Cloud Cover cardstock 5 ½ x 8 ½". Score at 3" and 7 ¼" and fold on the score lines.
2. Select DSP 1 for the background of the card front. I used the Secret Sea diamond pattern from the Lovely Blossoms paper pack.
 - a. Cut one panel 2 ¾" x 5 ¼" and adhere on the left side of the card front.
 - b. Cut one panel 1" x 5 ¼" and adhere on the right side of the card front.
3. Select a DSP 2 for the accent strip on the card front. I chose the Cloud Cover stripe pattern from the Lovely Blossoms paper pack.
 - a. Cut one panel 1" x 2 ¾" and adhere about 1/3 of the way up the left panel of the card front.
 - b. Cut one panel 1" x 1" and adhere in line with the other strip about 1/3 of the way up the right panel of the card front.
4. Using the Branching Out dies, cut a mat for the sentiment panel from the Secret Sea glimmer paper from the Peaceful Garden glimmer paper pack.
5. Using the smaller nesting die from the same die set, cut the sentiment panel from Cloud Cover cardstock.
6. Stamp the *You are the BEST* sentiment from the Words & Wishes stamp set in Secret Sea toward the top center of the sentiment panel.
7. Wrap the sentiment panel in gold & white baker's twine and tie off in a knot.
8. Adhere the sentiment panel onto the glimmer mat with dimensionals and then adhere the full matted panel onto the card front with dimensionals just above the accent strip, making sure you only adhere the left side of the sentiment panel to the card front so that the dutch door will still open.
9. Embellish the card front with In Color dots and Moody Palette glossy dots.

Directions—inside:

10. On a quarter panel of white, stamp the sentiments from the Scalloped Blossoms and BBQ Master stamp sets in Secret Sea.
11. Adhere the message panel in the center inside panel.
12. Using the DSP 1 patterned paper, cut a 1" x 5 ¼" strip and adhere to the right panel.
13. Cut a piece of DSP 1 to 2 ¾" x 3" to serve as the gift card envelope. Adhere to the left inside panel with narrow adhesive just around the sides and bottom.
14. Embellish the gift card pocket with Moody Palette glossy dots.
15. Optional: To make the gift card easier to remove from the pocket, attach a loop of Secret Sea ribbon in the center on the back to serve as a pull.
